55 Why us

FACTORIES

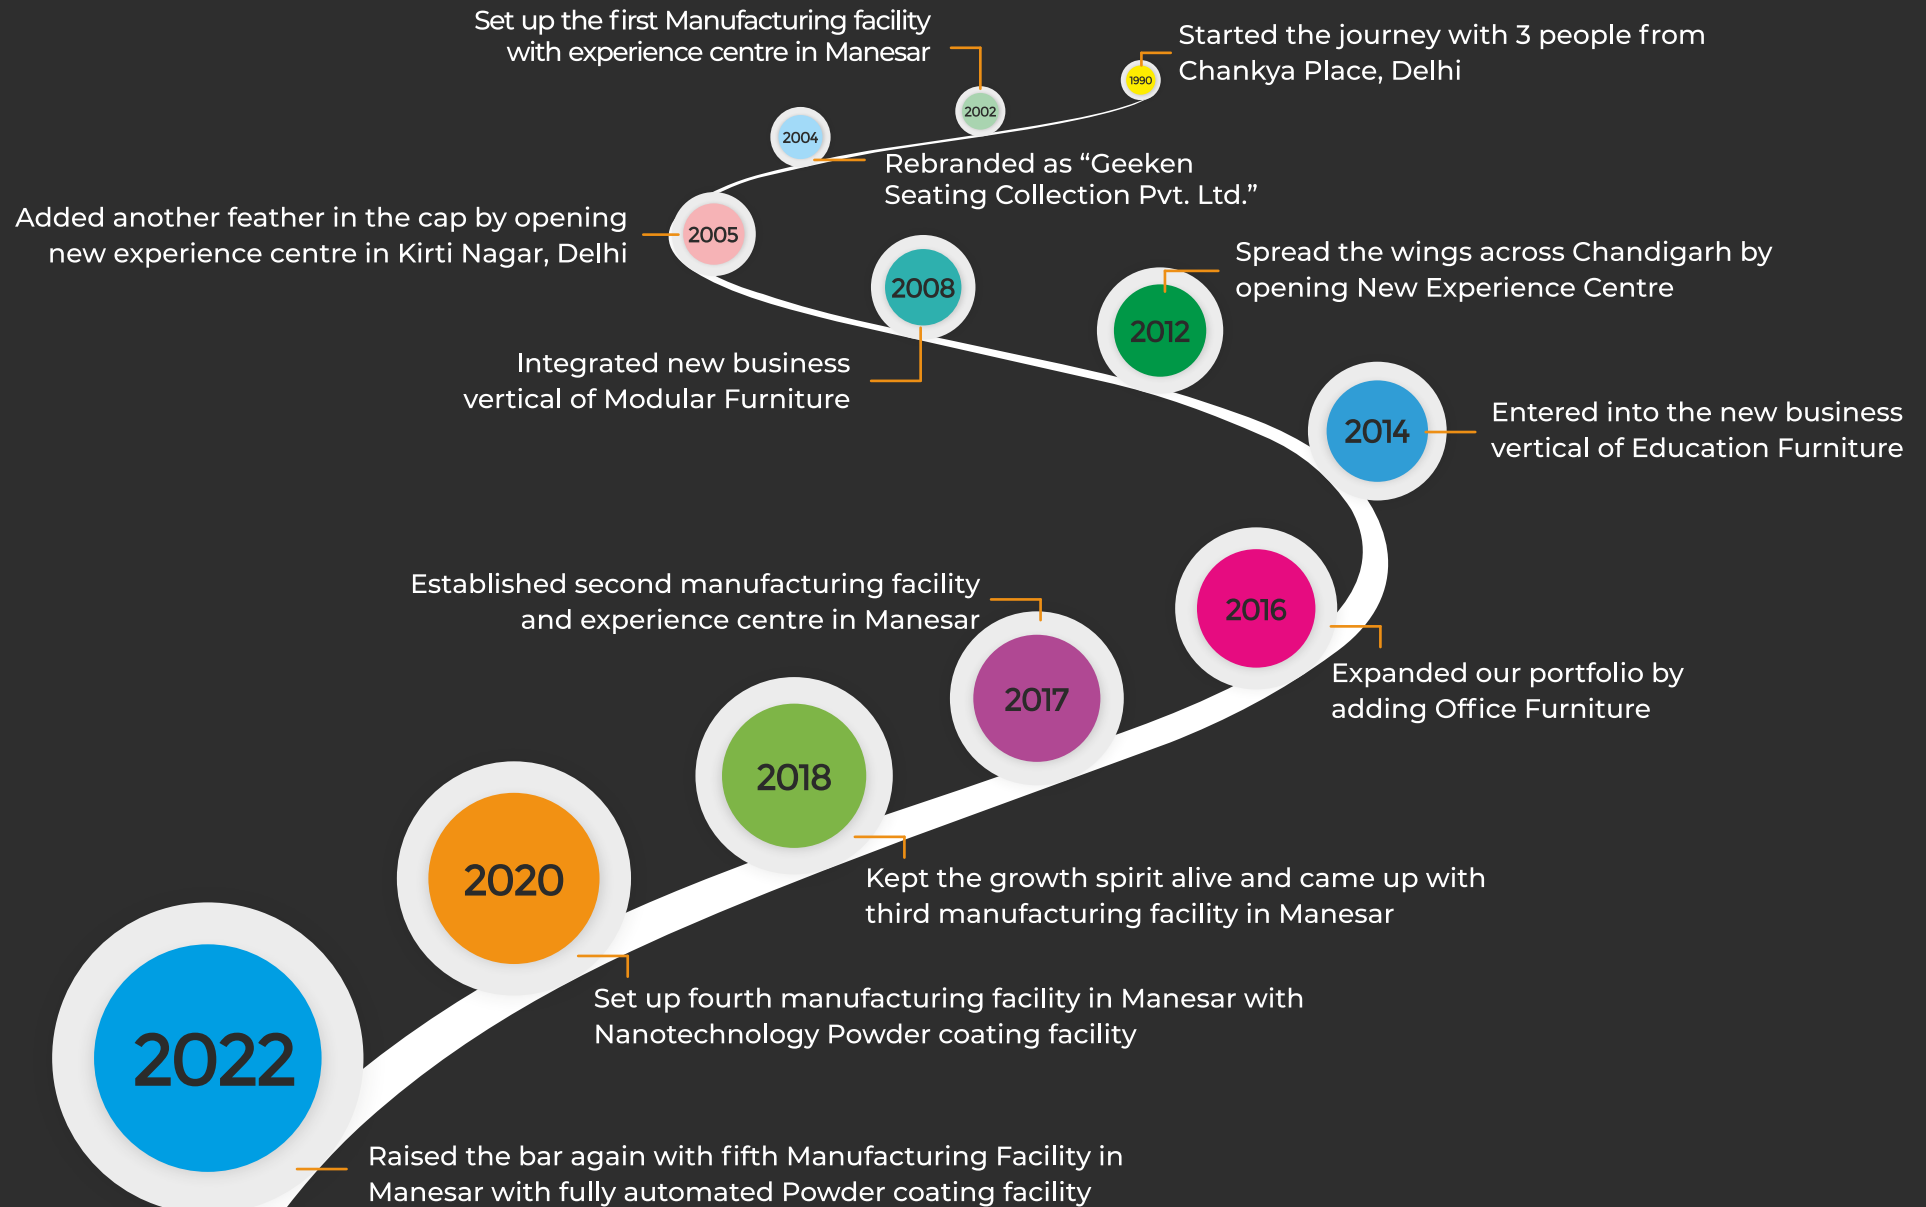

Fully equipped state-of-the-art manufacturing facility, spread over 6,50,000 sq. ft. area, fully loaded with advanced machineries and skilled manpower, has been set up and operational at IMT Manesar, Gurugram to bring together Quality and Performance.

CERTIFICATIONS

We owe our success to stringent quality control measures & strictly following international certifications such as BIFMA, IGBC, GreenPro, Griha, UL, ISO, AIOTA, CE, FCC, RoHS etc. making the task of any decision maker easier & better.

MILESTONE

CLIENTELE

We continue to rise day after day and helps make the world a better place with its solutions for Education Industry, Healthcare, Offices, Hospitality, Real Estate with more than 1 Lac Satisfied Customers

SOLUTION CATEGORIES

Bringing the One-Stop-Solution-Providing Manufacturer of Innovative & Latest technology Solutions in the field of Information Technology and Enabled Services.

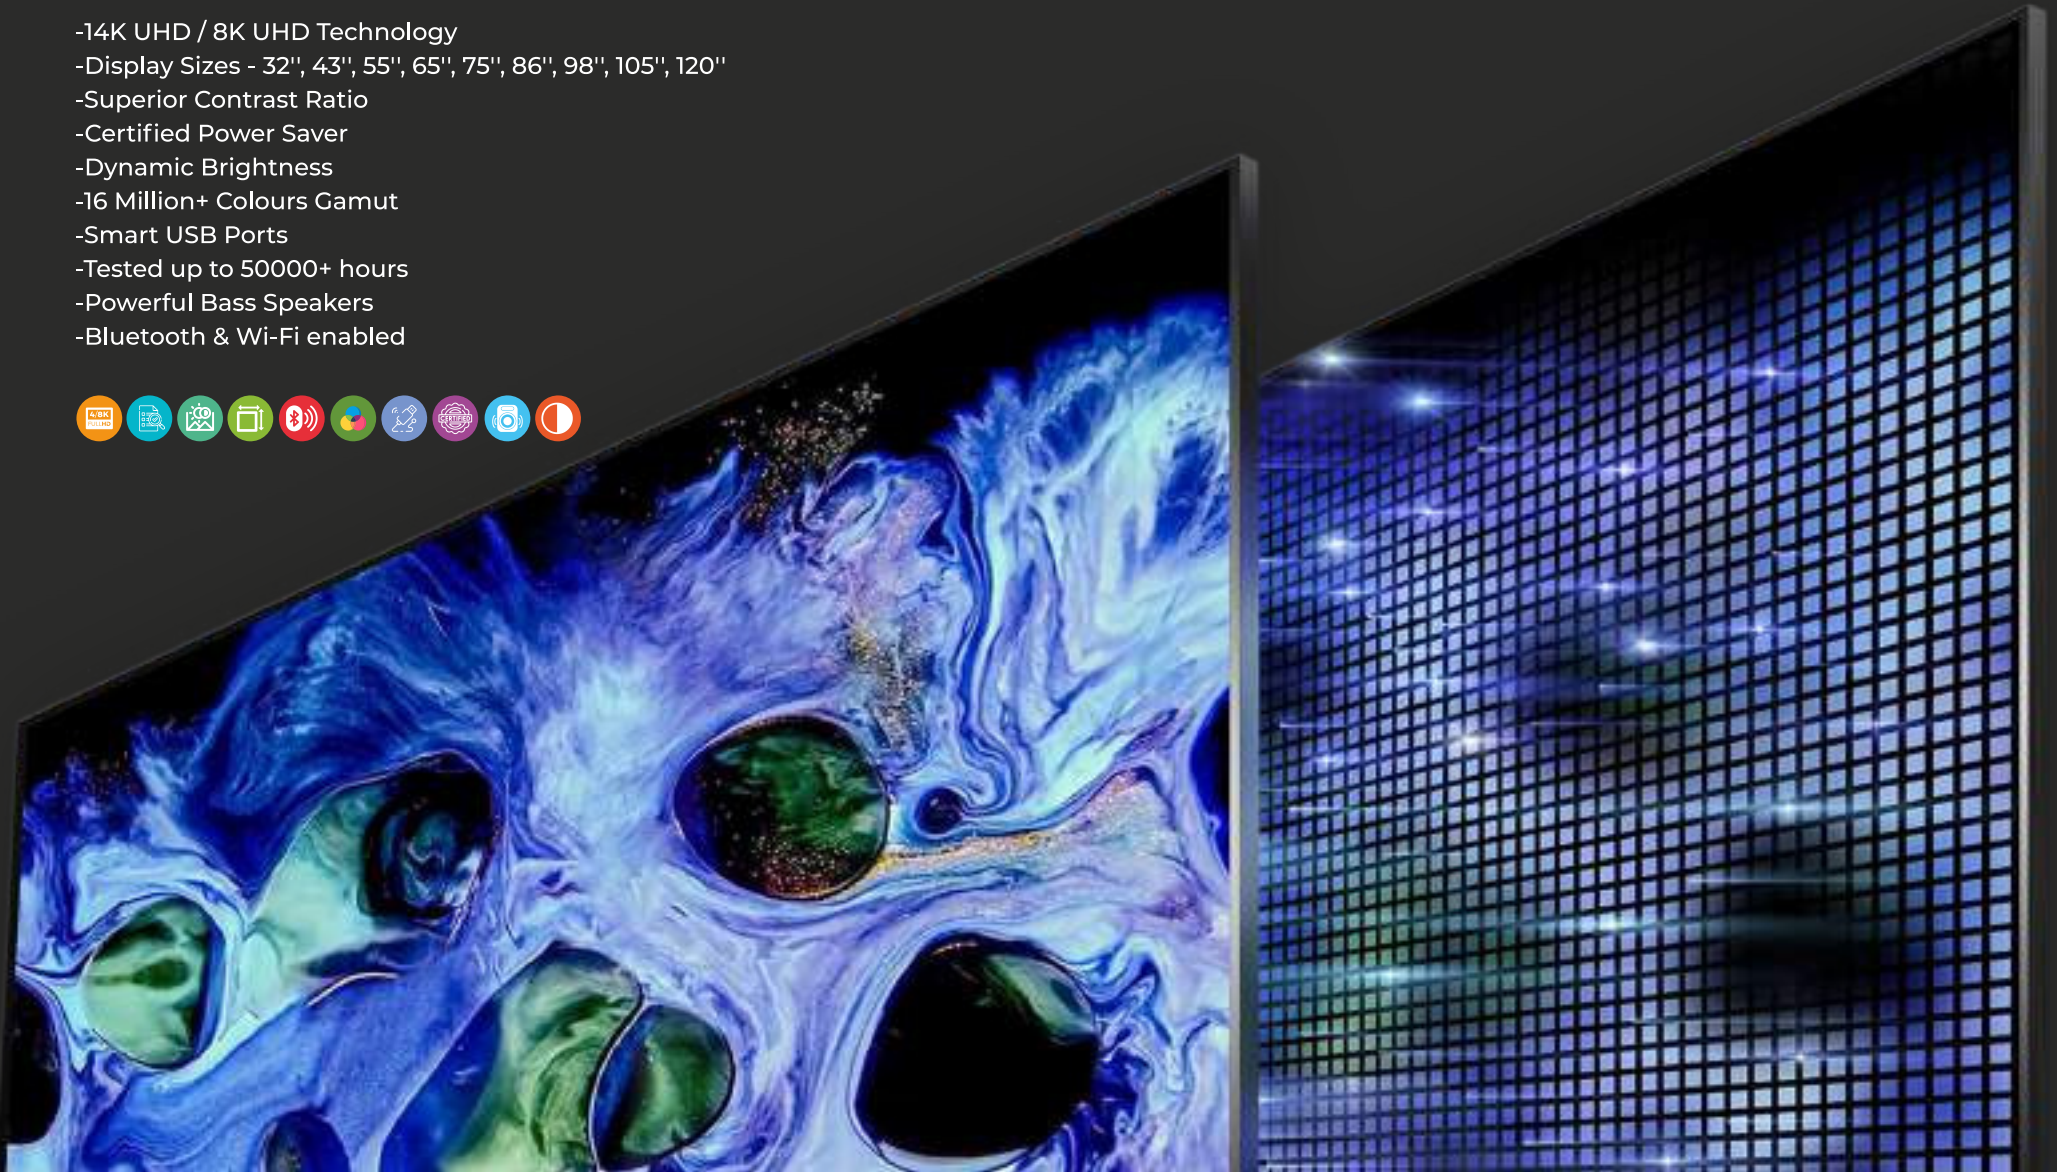

DISPLAY TECHNOLOGY

...that goes beyond devices & places

PROFESSIONAL DISPLAY

Designed to create a collaborative space

- 14K UHD / 8K UHD Technology
- Display Sizes - 32", 43", 55", 65", 75", 86", 98", 105", 120"
- Superior Contrast Ratio
- Certified Power Saver
- Dynamic Brightness
- 16 Million+ Colours Gamut
- Smart USB Ports
- Tested up to 50000+ hours
- Powerful Bass Speakers
- Bluetooth & Wi-Fi enabled

SMART TV

Designed for a magnificent experience

- Display Sizes - 32", 43", 55"
- Storage – RAM – 2GB, 3GB, 4GB || Storage – 8GB-12GB-16GB
- Suitable for Indoor and outdoor application
- Inbuilt Signage software to split screen customized
- Ceaseless 24 X 7 application
- Wi-Fi support on dual frequency
- Support CPU: Amlogic S905X3 Quad-core ARM Cortex-A55
- Multi USB Support
- HDMI-1/2, Ethernet - 1, Micro SD card (TF card) – 1
- Plug n Play Mouse

DIGITAL PROJECTOR

Integrated solution for a modern AV classrooms

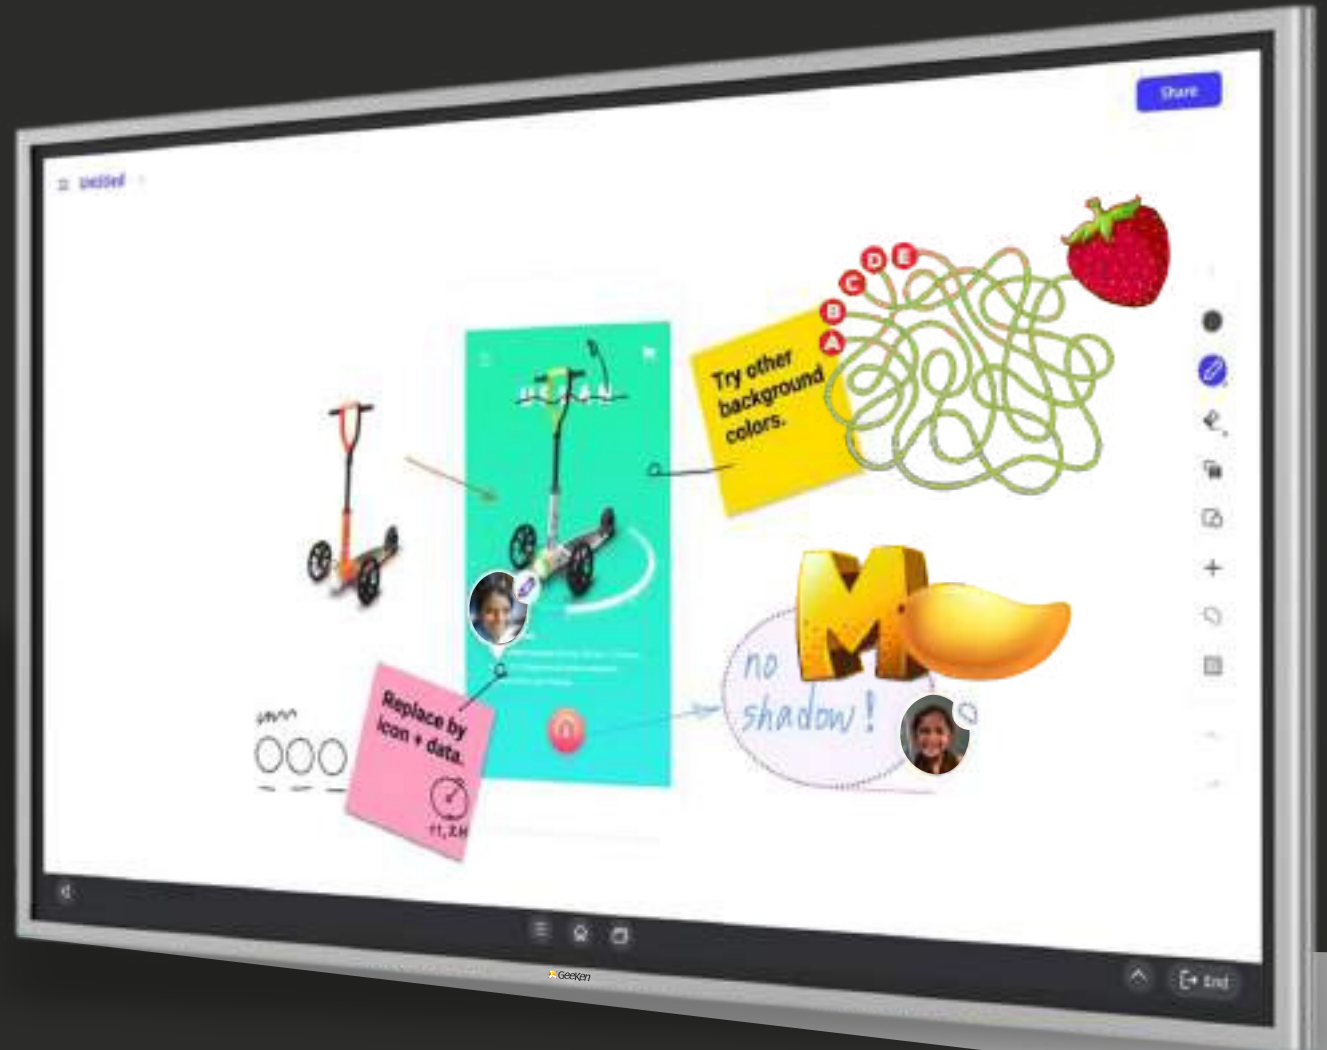

- Short Throw and Long Throw Projection
- DLP Projection Technology
- Prolong Lamp Life For Low Maintenance
- Dynamic Brightness from 3500 Lumens to 15000 Lumens
- Anti-Dust Accumulation Sensor Resists Dust Buildup
- Guaranteed Stable Operation in Challenging Classroom Environment
- Spectacular Audio-visual and striking picture quality
- Dustproof Solution that Ensures Optimal Reliability and Performance
- High DLP Pixel Fill Factor for Superb Viewing Experience
- 5.1 Bluetooth & 10W HiFi Stereo speakers with Dolby support

INTERACTIVE WHITE BOARD

That makes learning Fun & Easy

- Scratch proof, Dust proof, Tear proof
- 1.1.2.-1.1.3.Multi User Writing/ Multi Touch
- Ultra-High Accuracy
- Long Life
- Fast Response Speed
- Surface Light Wave (SLW) Touch Technology
- High Refresh Rate for Seamless Interaction
- Annotation & Screen Capture
- High touch resolution

LED VIDEO WALL

Ranked with highest performance, resolution & clarity

- Pixel Pitch available in i.e. 0.8,1,1.2,1.5,1.8,2,2.5,3,3.5,4,4.8,6,8 mm
- Tested upto 1,00,000+ hours
- 4K UHD Picture quality
- Higher Refresh-Rate
- Excellent color uniformity
- Certified power saver
- Weather proof IP67
- No ghost Image – Zero Frame drop
- Dual power backup and Signal
- Immersive Brightness, UHD Resolution & Contrast

VIDEO WALL CONTROLLER

Incredibly **efficient**

- Various Inputs including CVBS*2, VGA*2, DVI*1, HDMI*1 , DP*1 and SDI*1
- Seamless high-speed switch and fade-in/ fade-out effect
- Fully adjustable location and size of PIP
- Flicker-Free Screen without scanning lines
- Exquisite Image with Excellent depth;
- White balance calibration and colour gamut mapping
- 10bit/8bit HD video source
- 2.3 million pixel loading capacity
- Support multiple controller montage for loading huge screen
- Next-generation point-by-point correction technology

VERTICAL SIGNAGE

Visually appealing & impactful

- Aluminium Radius Edge
- 4 mm Toughened Glass
- 360° Movable
- Ultra HD 4K Resolution
- Captivate Your Audience
- Various Form Factors and Sizes available
- Dynamic Brightness
- High Contrast Ratio
- Advanced, Ergonomic Floor-Standing Design
- Uniform Luminosity In Any Ambient Light

INFORMATION KIOSK

Extra bright **hd** display with **unlimited** possibilities

- Various Form-factors - 21",32",43",49",55",65",75"
- Storage: 2/3/4GB RAM | 32/64/128 GB ROM
- Ultra-slim Structure
- Android 8.0 & Smart USB enabled
- Vertical Orientation
- Floor Mounted
- Beautiful Aesthetics
- Customized color
- Wall hanging facility
- Elegant Design, Robust Quality

MONITORS

Designed to display the finest to art

- Various Sizes from 18.5 inches to 43 inches
- Crystal Clear Image
- Wide viewing angles -
- High refresh rate
- Great energy efficiency - Low power consumption
- Bezel Less screen
- Upto 8K resolution supported
- Dynamic Brightness
- Ultra-thin design with an ultra-slim bezel
- High color gamut: sRGB 98%

[LEARNING TECHNOLOGY]

INTERACTIVE DISPLAY

Make every learning session **inter-active**

- Available in Multiple sizes like 55",65",75",86",98"
- RAM - 4GB, ROM - 64GB, Android 11.0
- Tempered Glass with Antiglare Coating
- Multiple Input & Output ports i.e. HDMI, VGA, Smart USB Ports
- Wireless connectivity for BYOD Solution
- Preloaded Education K-12 content
- Multiple window OPS options upto i7, 16GB RAM and 1TB Storage
- Wireless data transmission upto 60FPS
- Inbuilt 8MP camera and 6 array Microphone for video conferencing
- Play store for multiple third-party application

K-12 EDUCATION CONTENT

Leave behind outdated **educational** methods

- Customised Solutions for all Educational implementations
- Multi-Language Support
- impactful Digital Learning Solution
- Highly Enriched digital content to cover all subjects
- Available for Android and Windows on Tablets/Chromebooks
- Centralised Reporting Dashboard
- Continuous Monitoring And Impact Assessment
- Multiple Categories of Enjoyable Content
- Millions of e-books for Teachers & Students
- Offline access to multiple categories of curriculum

DIGITAL LECTERN

One podium with countless possibilities

- Inbuilt Audio DSP Solution for seamless Two-Way Audi Communication
- Interactive Touch Panel
- Integrated with configurable computer system
- Comprehensive PA Solution including Visualizer, Amplifier, Speakers, Microphone
- Lockable and Pilferage Resistant
- Rust and Mechanical Strain Resistant
- Smooth and interactive lecture
- Fully Customizable sizes and shapes
- Multiple Connectivity Options – HDMI, VGA, Audio In/Out, Ethernet
- Premium Quality Raw Material

VISUALISER

The **ultimate** solution for interactive learning

- 4K HDR Resolution
- .25x Optical and 12x Digital Zoom
- Auto and Manual Focus
- In-built OCR
- In-built Media Controller
- Integrated Computer System -
- 180° Flexible Arm
- Wider Work Area Coverage
- Many exquisite features like Rotate & Mirror, Auto Exposure, White Balance, Gridlines, Reading Aids
- .Picture-in-Picture, Split Screen, Open a New Window / Split Screen, Video Recording, Scan Document, Focus Button

LANGUAGE LAB

The perfect solution for language education

- Shared virtual whiteboard -
- Live Screen Sharing while in the session
- REST Based API to schedule sessions, Manage Users & Content
- Live attendance monitoring
- Presenter to remotely control their audio/video streams
- In-built dynamic bandwidth and resolution control
- Web-based scheduling interface to schedule live sessions
- Multiple image formats supported - JPG, PNG, JPEG, etc
- Android/iOS smart phones and tablets via mobile apps
- Centralized directory of all registered users

LEARNIN MANAGEMENT SOULTIONS

Comprehensive tool for learning
upskilling, and development

- Ultimate Programs for Learning, Upskilling & Development
- Personalized Learning
- Endless Possibilities
- Latest Learning Technology with Automation
- Content Authoring tools
- Helps advertise, target new audience, and retain talent
- Upgrade skills to stay ahead of the curve
- Anytime access to the latest cloud skills and security certifications
- Data Monitoring, Review and Analytics
- Interactive and Boundless sessions

EDUCATIONAL TABLETS

Take your **notebook** anywhere you go

- Android 11 OS, ZUI 12.5
- Qualcomm Chipset
- Multi-core CPU and Adreno GPU
- Plentiful Space - Internal 4/6/8 GB RAM and 64/128GB
- LED flash
- HD Video Quality - 25 fps
- Loudspeaker with 4 stereo speakers
- Extended Battery Life
- Massive Display for readability
- High refresh rate of 120Hz

MOBILE DEVICE MANAGEMENT (MDM)

For increased **engagement** with all **devices**

- Manage Remotely
- Eliminate Field Failures
- Reduce Support Cost
- Geofencing
- Managed Android OTA updates
- Seamless, no-touch provisioning
- Remote view
- Remote control
- Hardware qualification support
- Support for AOSP Devices

RECORDING & STREAMING SOLUTION

digital learning made easy

- Wireless connectivity
- IR Touch
- Commercial Grade Design
- Non-stop recording and streaming
- ULTRA BRIGHT SCREEN
- MS Enclosure
- 4K UHD for Stunning Picture quality
- Remote access for participants
- Easy role management of participants
- Supports all Operation system

[OFFICE AUTOMATION]

...for a future proof workspace

VIDEO CONFERENCING SOLUTION

Advance conferencing for modern offices

- Intelligent zoom and optimised video
- Perfect for all meeting rooms
- Collaborative screen with multiple feeds
- Secured private meetings
- Screen sharing, Mirroring and Live chat

ATTENDANCE MANAGEMENT SOLUTION

Record - Review - Manage - Store

- 4.3 Inch Touch Screen Display
- Cloud Push data support
- Web & Desktop based software
- Built-in 3G/4G SIM slot, Built-in Wi-fi
- Extended battery backup

COMPUTER PERIPHERALS

Smart gears for Smarter generation

- Professional Wireless Keyboard
- Interact Pen
- Hi-tech Joystick
- Scan Pro
- Artemis Data Pro, Mega Disk

MINI PC . OPS

Truly innovative

- Ultra-Low Power Consumption
- Fanless Technology for noise free operation
- Wide Connectivity - All I/O devices and peripherals
- Runs on Windows/Linux based OS
- RDP based Remote Desktop connectivity to Windows 10, Ubuntu, Linux and Windows Server 2012

LAPTOP

Incredible design,
Incredibly fast

- Solid-state disk drives and memory
- One device for all
- USB Type-C for speed and functionality
- Immersive OLED Display
- Touchscreen to make the interface simpler and easy

ALL IN ONE COMPUTER

One **device** for all

- Integrated touch screen monitors
- Additional touch pads
- Solid-state disk drives and memory -
- One device for all
- Up to 90 adjustable positions
(90° Degrees rotation)

NETWORKING SOLUTION

Simply, Optimize and Automate

- Industrial Grade Chipset
- Wide Operating-Temperature Range
- 8KV ESD Protection
- One-Key CCTV
- Long transmission up to 1200m/
multi cable: Cat5e/6 / coaxial / optical fiber

COMPUTER PROGRAMMING

Exclusive platform with endless possibilities

- Flexibility –Ultra-flexibility
- User-friendly programs
- Motility Programming
- Scalable Programs
- Self-Documenting Code

SOFTWARE APPLICATION SERVICE

Cutting-edge application for
your business

- Application Development
- Application Maintenance
- Application Legacy Modernization
- Sophisticated and Scalable Programming
- Performance-oriented Mobile & Web Application

[SECURITY & SURVEILLANCE]

...for robust & reliable defense

CCTV CAMERA

360°surveillance master

- WDR Extreme (140dB)
- P-Iris Technology
- 120 Frames Per Second
- Star-Light Technology
- Voice over IP (VoIP/SIP)
- H.265+ Compression
- ONVIF S & G & T compatibility
- Automatic Network Replenishment
- Electronic Image Stabilisation (EIS)
- Artificial Intelligence and Machine Learning

BODY WARM CAMERA

Guard and **truth**

- Comprehensive Evidence Management
- 140° Viewing Angle
- 12 hours of non-stop recording
- AES 256 Bit Encryption
- Electronic Image Stabilization
- Latest Android UI
- 4K HDR Video
- H.265+ Video Compression
- Pogo-Pin Connection
- In-built GPS, Wi-Fi, 3G/4G Connectivity

VEHICLE SURVEILLANCE SOLUTION

the road to safer drives

- Advanced Driver Assistance System (ADAS)
- Blind Spot Detection (BSD)
- Driver Monitoring System (DMS)
- Wide Viewing Angle
- Recording Black Box
- AES 256 Bit Encryption
- Electronic Image Stabilization
- High Quality 4K Video – Superior quality 4K video
- H.265+ Video Compression
- Built-In GPS, Wi-Fi, 3G/4G Connectivity

NETWORK STORAGE DEVICE

Comprehensive **storage** management

- Multi Core Processor
- Multi-Channel Recording 4,8,16,32,64,128,256,512
- Redundancy RAID 0, RAID 1, RAID 5, RAID 6, RAID 10
- Automatic Network Replenishment
- Auxiliary, USB & Serial Interfaces
- eSATA Supported
- Multi Alarm Input & Alarm Output
- Abnormality Auto Warnings and Auto Triggers
- N+1 Hot Spare
- In-Built Video Analytics

VIDEO MANAGEMENT SOFTWARE

Raising the **surveillance** standards

- Centralised System Management
- 100% Scalability - Unlimited device connectivity
- System Health Monitoring and alerts
- Advanced Search Filters
- Customizable user management and User Permissions
- Compatible with third party products
- Bandwidth management
- Advanced Multiple Playback -
- Event Snapshot based Video search
- AI and ML based Analytics

INTELLIGENT TRAFFIC MANAGEMENT SOLUTION

Management solution-
Innovation solution for
safer roads

- Automatic Number plate recognition
- Red Light Violation detection
- Automatic Vehicle counting and classification
- Stopped Vehicle and Illegal parking detection
- Video traffic detection systems with edge processing capabilities
- Advanced safety and pollution analytics
- Predictive traffic planning
- Smart junction management
- Smart parking integration
- Vehicle speed monitoring

VIDEO DOOR PHONE

Always be aware of who is at the door

- Touch Screens for effortless operation.
- Do Not Disturb Feature
- Round the Clock Protection with Night Vision
- Unlimited Image Capturing and recording storage facility
- Essential storage for images and videos
- Security System compatibility: Integration with CCTV surveillance systems
- Hand-free operation
- Remote Access: Answer the door-bell without coming to the door physically –
- Protective, strong body with IP54/66 rating
- Multiple Layered Security

WI-FI CAMERA

Modern security made easy

- Wide Transmission range
- HD Picture Quality
- Two Way Audio
- Battery Powered
- AI Powered Motion Detection Alert
- Baby Monitoring
- Stunning Colours in Low Light
- Advanced Video Encoding Technology
- Conveniently Store Videos up to 4K Quality
- Easy Playback on Smartphone and Tablet

BIOMETRIC DOOR

It's time to lose your **key** for good!

- 98.45% Recognition Rate
- Superfast unlock speed
- Advanced Fingerprint capture area
- Accessible via Fingerprint, Password, RFID Card
- Extremely Low False Rejection Rate -
- Self-Learning AI Algorithm
- Enhanced tamper-proof security
- Real time Alerts
- Smart App – Smart Management via app
- Made of Aluminium Alloy, Anodized Alloy

INSTITUTIONAL FURNITURE

...reinventing institutional seatings

 Geeken

DECORATE
YOUR CLASSROOM
WITH ART

WHY US

- Strong Nationwide network of **1000+** Partners
- Powered by professional **2000+** Team Members
- Fully equipped state-of-the-art manufacturing facility, spread over **6,50,000** sq. ft. area
- Strong Testimonials of more than **1,00,000** satisfied customers
- Largest Service & Support Network with **Toll-Free Online Support**
- Professional team of Skilled Manpower for Designers, Pre-Sales, Demo & **Online support**
- Eminent, Reliable, User-friendly, **Cost-effective**, and Engaging solution
- Make-in-India** Brand
- Industry-Leading Comprehensive **Portfolio**
- Solutions also available **under Government Rate Contracts**
